White House Welcomes Murderer

J.F.K. ROLLS OUT RED CARPET FOR "MAD DOG" TITO

Once more Americans have become un-American. Once more the Administration has been shorn of its **"anti-communist"** mask to reveal the face of a dedicated, conscious pro-communist program which could end this Republic! Once more it is obvious that traitors run our government and that treason prevails! Tito the imposter has been here and is welcomed by the White House as a friend. It was the dictator of Yugoslavia known as Tito, alias **Josip Broz,** who gave the red carpet to Khrushchev on the latter's recent visit there, complete with bear hugs and kisses. Ironically the intrusion of this barbarian was timed to coincide with the anniversary of the Hungarian abortive attempt at freedom from the very despotic rule Tito represents.

"CHAINED DOG OF RUSSIA"

Tito has been a communist since 1920 when he first joined the Party. This arch-criminal is not Marshal Tito, nor is he Joseph Broz. Though he insists he is a born Croatian, he was born in Zagreb in 1900 and his real name is **Zvonimir Von Haffner.** In 1917 he joined the Red Army under Trotsky. He became a member of the Yugoslav Democratic Party, closely allied with the communists, after the First World War (1919), and in 1924 he escaped to Paris after stealing seven million dinars of government money. In 1928 he was arrested as a subversive and jailed for five years. He returned to Moscow in 1933 and became part of the Central Communist organization, after which he was sent to Zagreb. The year 1936 found him in Paris recruiting fighters for the communists against Franco.

During the Spanish War, Von Haffner became a close friend of one Joseph Broz. After Broz' death, Tito assumed his name, carried his papers, etc., and from that moment became a **full-blooded Croatian!** The name Tito is something else, and it is no accident Von Haffner came upon it. TITO comes from the Yugoslavian **"T-ajna."** It has a hidden, secret meaning: **"T"** is for head or marshal; the remaining letters spell out the name of an organization, **"International Terroristic Organization,"** originally instructed by Stalin! The meaning fits Tito for Yugoslavia has known nothing but terror and death since his rise to power!

Tito made no move to defend his homeland until the Germans attacked the Soviet Union. Then he proceeded to attack the Germans **not the Russians.** He showed his patriotism by organizing an armed band called **"The Partisans"** who attacked and harried the patriot **Mihailovich, who could have saved Yugoslavia!** But our State Department treason came into play, and saved the day for Tito. While Mihailovich was bypassed, U. S. money from UNRRA, (in which former Senator Lehman was a key figure) armed Tito. When the latter was solidly established, thanks to U.S. help, he had Mihailovich shot.

IS TITO A SOVIET COMMUNIST?

The so-called feud between the Soviet Union and Tito is just another farce to fool the people. After Khrushchev's recent visit, Tito's official organ **"Borba"** spoke openly of a **"Soviet-Yugoslavian cooperation in building a communist world."** The friendship between the Kremlin and Belgrade was referred to as **"Eternal".**

At the fifth plenary meeting of the Central Committee of the Yugoslav Communist Party held last May, Tito said: **"We communists should be aware that we represent a part of the international movement not something outside of it."**

The **New Times,** August 28, 1963, official organ of Yugoslav's **"League of Communists Executive Committee,"** stated: **"Our destiny is linked with world Socialism and above all, with the Soviet Union. We say there is only one scientific Socialism . . . . . Marxism-Leninism . . . . ."**

CRIMES OF AN ARCH-CRIMINAL

Three hundred priests were murdered during the first 15 months of Tito's rule. Thousands of others were imprisoned and exiled. Hear Cardinal Stepinac, speaking before the **People's Court,** March 10, 1946: **"The army of liberation killed more than two hundred priests."**

Bishop Antonio Santin, of Trieste, made this report: **"The Yugoslav reds stop at nothing to destroy the Church and deprive the people . . . . . of the natural right of all men to a life of dignity and freedom. They murder, they bring false witness, they lie and they cheat . . . . ."**

Ministers of all faiths, priests, nuns, Moslems, devout Christians were murdered in cold blood for no other reason than the practice of their faith. Thousands were imprisoned on trumped-up charges where many remain today forgotten by the free world.

Cardinal Stepinac was sentenced to sixteen years of hard labor for warning his flock of the danger of communism.

Religious schools, colleges, seminaries and asylums have been confiscated. All 70 religious publications have been prohibited.

Between May and August 1945, Tito's troops likewise assassinated 50,000 prisoners and civilians of other nationalities. (See K. Rua: **"Tito's Katyun is in the Karst,"** Der Standpunkt, Merano, 1957).

The Croatian Government, presided over by eighty-year old Dr. Nikola Mandic, was massacred without trial along with thirty-four Croatian Generals and Colonels.

Five thousand children were burned to death by Titoists at Usora (Croatia) in Aug. 1945.

Tito murdered over five hundred thousand Croatians, **the most terrible genocide known in human history.**

REIGN OF TERROR

Concentration Camps. From 1945-51 over 6 million people **"passed through the re-education camps of forced labor"** stated the boss of UDB (Secret Police) in **"Five Years of Peoples Business in the F. R. Yugoslavia"** (Belgrade 1952).

There are at present thirty forced labor camps in Yugoslavia where physical and psychic torture is prevalent.

Tito's victims are not safe in foreign lands. Numbers have been murdered by his Secret Police.

He robbed and starved Hungarian refugees fleeing Soviet hordes.

REWARD FOR CRIMES

Our State Department has given this murderer the staggering sum of $2½ billion in aid. We know from Dr. Charles Zalan, former Yugoslav diplomat, who has written in a Senate Internal Security Report on the matter, that Tito uses American aid to advance his own brand of communism on neutral nations.

Here is a partial breakdown on aid to Tito for one year:

$100,000,000
—for surplus farm equipment.
$22,500,000
—for plant construction.
$10,000,000
—for raw material and pharmaceutical equipment.
$20,000,000
—for hydro-electric equipment.
200 Jet Planes
—went to Tito in 1957.

During the years 1950 through 1959, Tito received $850,000,000 in **military aid** from **the United States.** Eight of the Yugoslav Army's 28 divisions have been entirely equipped and trained by the United States. Hardly a plane could be found in his air force, **not supplied by the U. S.** Americans were shot down by Tito's men in American made planes.

According to **U. S. News & World Report: "You can see U. S. jet fighter planes on any airport in Yugoslavia . . . . . They (the army) march with U. S. equipment, U. S. tanks, guns, jeeps and trucks."**

It is a sad day for America when our State Department welcomes an international communist murderer and at the same time makes possible the overthrow of the anti-communist South Vietnam regime. Tito gets the red carpet treatment at the White House while Mme. Nhu's remaining brother-in-law is denied asylum at the American Embassy in South Vietnam and is now at the mercy of the rebel army.

Why is it we always wind up supporting the **"neutralist" pro-communist governments** (also run by dictators) after seeking the downfall of staunch, **anti-communist governments** which are known **pro-Western** even though their government is also dictatorial?

Time is running out, and when the iron curtain falls, it will be too late. There will be peace then—the peace of the cemetery or of jail. PROTEST NOW. Demand an investigation of the State Dept. and the Central Intelligence Agency—both loaded with red traitors. WAKE UP AMERICA. IT IS FIVE MINUTES TO TWELVE.
